PROFESSIONAL EXPERIENCE

Xiaomi France — Paris, France
Aftersales & Supply Chain Intern — Jul 2025 – Dec 2025

- Developed a Python automation script to streamline BOM distribution across Xiaomi HQ, France, and 10+ service stations, **reducing turnaround time by 3 days (37% improvement).**
- Managed Excel-based WIP tracking and daily logistics coordination across French and Spanish partners (ICP, SBE, Maitrox), **cutting average delay from 8 to 3 days (–62%).**
- Built Power BI dashboards for cross-brand product feature and aftersales performance analysis, enabling data-driven operational decisions.
- Conducted competitive supply chain research on Samsung, Daikin, and Hisense; identified supplier collaboration opportunities to support Xiaomi France's expansion strategy.

BlackRock Insight Experience — Tokyo, Japan
Institutional Asset Management Program — May 2024

- Selected for competitive program on institutional asset management.
- Completed team case study on Japanese pension fund management, examining strategic asset allocation and liability-driven investment considerations in a low-yield, aging-demographic environment.
- Gained exposure to portfolio construction and risk analytics via the Aladdin platform.

HelloRide Global — Singapore
Marketing Intern — Jun 2022 – Sep 2022

- Analyzed competitor strategies and conducted market research to inform content strategy, **growing Instagram from 0 to 2,000 followers in 4 months.**
- Analyzed customer data using Excel (pivot tables, VLOOKUP) to identify market trends and user needs, **improving monthly active users by 32%.**
- Secured a B2B market cooperation partnership with Huttons (valued at SGD 100M) through Singapore government liaison meetings.
